Sir:

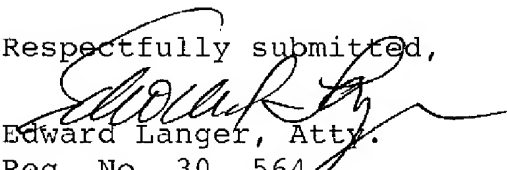

REQUEST TO APPROVE DRAWING CHANGE

In accordance with 37 CFR 1.121(d), Applicant hereby requests approval of the proposed drawing changes shown in red in the attached sheets, Figs. 3-5 and 7-14. The proposed changes are to overcome the Examiner's objections under 37 C.F.R. 1.83(a) by further defining features of the invention specified in the claims. For a complete discussion of these changes, please refer to the remarks in the accompanying Amendment.

A clean version of the amended drawings is also attached (each marked "Replacement Sheet").

This proposed drawing amendment is believed to be within the scope of the original disclosure and does not introduce new matter. Approval of this amendment is requested in the next Office Action.

Respectfully submitted,

Edward Langer, Atty.
